PRETTY CHURCH WEDDING IN WEST END LAST WEEK

**Miss Yowell Becomes the Bride Of
Prominent Floridian—News
From Hustonville.**

Hustonville, Oct. 26.

One of the prettiest weddings of the season was solemnized at the Christian church at 10 o'clock Wednesday last week when Miss Anna Yowell became the wife of R. R. Heron, of Lakeland, Florida. The bride is the attractive and accomplished daughter of Mr. and Mrs. F. M. Yowell, and one of our sweetest and most popular girls. The groom is one of the most prominent men of his city and for a number of years has conducted a jewelry establishment. The bride wore a beautiful traveling suit of tan and her natural beauty never showed to better advantage. The ceremony was said by Rev. W. S. Willis, pastor of the Christian church, assisted by Prof. Rogers, of Danville, who interpreted the holy words into the deaf mute language. Immediately after the ceremony, the happy couple left for the South, stopping at Chattanooga, Atlanta, Jacksonville and St. Augustine. Their many friends wish them all the happiness in the world.

Mrs. Walter Vanarsdale, of Danville, is with the home folks for a few days.

Mr. and Mrs. Eugene Dunn attended the funeral of Mr. Henry Traylor Thursday.

Mr. John B. Riffe is in Louisville buying goods.

Mrs. Cocking and daughter, of McKinney, were here shopping on Tuesday.

Mr. and Mrs. C. W. Adams and family and Mrs. Smith Powell motored to Danville last Friday.

E. V. Carson has returned from a short trip to Louisville.

Miss Margaret Davis is the attractive guest of Mr. and Mrs. Joe Newell this week.

Mrs. Bettie Carpenter is the guest of Mrs. A. M. Frye.

Willie Kirk is home from a visit to relatives in Oklahoma.

Mr. and Mrs. Howard Camnitz are visiting in Louisville this week.

Mr. Matt Sandidge, of Milledgeville, was in town Monday.

Don't forget the big horse and mule sale of E. P. Woods & Son at Stanford on Nov. 1st.

Miss Livina McGraw and brother-in-law, Mr. Jack Shelby, motored over from Junction City last Friday.

Mr. and Mrs. Nathan Pipes were in Danville Monday.

Miss Ada Alcorn is visiting the Misses Alcorn in Stanford.

Messrs. Arthur Burton and Stoupe Stevenson gave a delightful chestnut hunt Saturday. The girls prepared the lunch and for supper the young men entertained the young ladies at Elmer Springs. Those fortunate enough to be invited were:

Miss Eddie T. Carpenter, Miss Maggie Allen, Miss Margaret McCormack, Miss Nancy Cooper, Miss Sallie Back, Miss Edith Andrews, Miss Lillian Eads, Miss Ella Rigney, Miss Margaret Newton, Miss Ethel Burton, Miss Elizabeth Stevenson, Miss Nellie Newton, Miss Alza Lyons, Miss Lena Back, Miss Annie Dunn, Messrs. James Stevenson, Carlisle Myers, George Hubbard, Milt Eads, Clifton Sandidge, Clarence Dunn, C. R. McCormack, Jr., Billie Burton, Joe Mitchell, Gilmore Burton, Mesdames William Dunn and C. R. McCormack were the chaperons. All reported a fine time.

Misses Mary D. Kennedy, Beecher Newbern and Cora Mae Goode are the attractive guests of Mrs. J. A. Blain this week.

Every democrat should remember to go to the polls on election day and vote right under the rooster for McCreary and the rest of the ticket. I know the democrats will win if the men will just come out on election day. Let's show the republicans they are not the whole thing in Kentucky.

TO THE VOTERS OF LINCOLN COUNTY

On the 21st day of October, 1911, I was nominated by the Republican party of Lincoln county as a candidate for Representative. Owing to the short time I have in which to make a canvass, it will be impossible for me to see personally all of the voters of the county. For the purpose of giving to them the opportunity of knowing my position on various questions now confronting the people, I take this method to make known my views, and to give them some information which may aid them in deciding as to my fitness and that of my opponent for the position to which we both aspire.

I was born in the mountains of Knox county, Kentucky, 48 years ago where I lived for 21 years; since which time I have resided in Lincoln county. By reason of adverse circumstances and conditions over which I had no control, I had no chance when a boy to secure an education, and when I should have been in school, I was daily engaged at hard manual labor trying to help those dependent upon me for support and maintenance. I, therefore, had no opportunity to attend the schools or to secure any part of an education until after reaching manhood, at which time, and, when more than 30 years of age, by my own many sacrifices, I was able to attend school for several years, and by private study secured the requirements of an education, and prepared myself for the ministry, and in the Master's cause I have labored faithfully for the past 15 years during which time I have by the blessing of God, influenced about 1,000 persons to follow "in the faith of the meek and lowly Nazarene."

If I should be elected representative by my fellow citizens, I will strive earnestly to represent all the people, irrespective of party affiliation, and will stand for and vote for the following propositions, or any bills in the interest of the same, to wit:

Platform

1. A Uniform County Unit bill.
2. A fair and honest redistricting bill, giving to every citizen equal representation.
3. Better schools, longer terms, more and better books to be paid for by the county and state, if the parent can not furnish the same.
4. Better roads \$1 per day for an honest day's work on the county roads. Also reasonable compensation to boys between 18 and 21 years of age, who at present are required to work on the roads without compensation.
5. A uniform rate of two cents per mile for passengers on all railroads in Kentucky. (The present rate in Kentucky is three cents, but practically all of our neighboring states have the two cent rate; why can not we have it?)
6. The stricter regulation of telephone companies and their rates, giving to counties, cities and towns

full authority to regulate the rates to be charged the citizens within their respective limits.

7. A repeal of the tax laws so as to prevent taxes being levied both on the land and the purchase money notes, which, in many instances, represent almost the total price paid. In such cases I believe that the tax should be apportioned between the land owner and the holder of the notes, because both should not be made to pay on what is for practical purposes only one piece of property.

Shanks' Record.

Now, as to the record of my opponent, Mr. W. H. Shanks, who has been in the legislature for four years. What has he done during this time in behalf of the people of this county?

Mr. Shanks introduced a bill giving to the railroads in Kentucky the right to establish and engage in the ferry business. What interest have the people of Lincoln county in ferries? Why should Mr. Shanks introduce a bill in which the people, whom he is paid to represent, have no direct interest? Why should Mr. Shanks be so interested in the great and powerful railway corporations of this state as to introduce bills in their interest? Has he any debt of gratitude to pay. Has he or any of his lieutenants, with his knowledge or consent, used his name or his position in securing passes over any of these railroads? Let the people know, Mr. Shanks, who introduced this bill. Tell them the name of the man or men who asked you to father this measure.

Mr. Shanks also introduced another bill preventing persons other than lawyers from looking up deeds, records, etc. for hire or compensation. If a man prefers to hire a surveyor or some other competent person to make an abstract of title, why should you want to prevent him from doing so? Why say to him "You can't do it; you hire me or some other lawyer to do this work?"

Mr. Shanks also introduced another bill regulating jury service and which has a tendency to keep men over 60 years of age from serving on juries. Does Mr. Shanks think that a man of 60 years is not as good a juror as the boy of 21. If he does, I can't agree with him.

Mr. Shanks claims to be a Law and Order man and against saloons. If he is, then let him explain to the people why he is going to vote for Billy Klair, for Railroad Commissioner who is now and has been for many years, engaged in the saloon business in the city of Lexington and who has, upon many occasions, as the records will show, violated the liquor laws of this state. The railroads want Mr. Klair elected. Is Mr. Shanks for him because the railroads want him, or is Mr. Shanks going to vote for him because he is

Sheep—Receipts 351 head; market strong at \$1.50@3.50; lambs \$3@6.

All the Facts in Epitaph.

Even the solemn and sacred cemetery of the Moravians at Bethlehem supplies an interesting addition to the curious epitaph collected in the following, which is cut on a stone over the grave of an Indian. "In memory of my dearest son James McDonald Ross, eldest son of John Ross, principal chief of the Cherokee nation died in St. Louis, November 9, 1864. His corpse was transported by Adams Express to Bethlehem and interred at this sacred spot November 22, 1864, age fifty years, twenty-nine days."

The county is supposed to be the unit in all matters connected with the holding of a local option election. I believe that when 25 per cent of the voters ask for an election upon this question, that they are entitled to it. I do not think that one precinct should be allowed to control the entire county. If the county is going to be the unit, let it be the unit in all matters connected with a local option election, both in the petitioning for and the holding of the election.

I have made a careful examination of Mr. Shanks' record and I do not find a single bill bearing his name in favor of the great common people. Is it possible that by reason of his great wealth, being the owner of 1,000 acres of land in the heart of the blue grass, and worth about \$100,000, most of which was given to him, that he is not in sympathy with and is not in touch with the plain, common man? Surely in four years he had an opportunity to introduce at least one bill in favor of the folks at home, even though many of them are poor in this world's goods.

Perhaps Mr. Shanks has been too busy running for Speaker and looking after one or two personal friends to pay any attention to the "old folks at home." What has Mr. Shanks done to merit your support? What promises has he carried out? Has he enacted or helped to enact any laws of benefit to you? The poor, humble tobacco raiser has been almost ruined by a soulless corporation, the American Tobacco Company. The price has dropped from about 20 cents to about 5 cents. Surely, Mr. Shanks ought to have tried to do something to protect the tobacco raiser from this monster corporation; but has he done it? No! No! No!

Mr. Shanks has drawn from the State Treasury over \$1,000, placed there by his fellow citizens, to be paid out for "value received." Mr. Shanks, in explanation, I ask you: Can you look the tobacco raiser in the eye, or any honest son of toil in the face, and tell him that he got "Value Received" for the taxes levied to pay your salary and expenses at Frankfort? If I am wrong about this matter, let Mr. Shanks tell you what he has done. Let him give an account of his stewardship. Let him tell why he is entitled to your vote.

If I am elected Representative on November 7th, I promise you faithful and honest public service, and shall faithfully strive to represent all the people, whether they come from the gilded mansion of the rich or the humble cabin of the poor.

Very Truly Yours,

ED HUBBARD.

BIG LOSS IN CORN

Seems to Have Been Caused by Rot—Bushel to Shock is Spoiled.

Much complaint is being heard from farmers all over Lincoln and in other sections of the prevalence of rot in corn. Some say that the bad ears are showing up to the amount of a bushel to the shock. It had generally been expected that one of the best corn crops known in many years would be the harvest in Central Kentucky this year, but the rot caused by too much rain on the shock will cut down the estimate considerably.

The deal was made last spring, but not announced by Mr. Jackson previously for he tried to buy back his farm here from Mr. Crawford but the latter declined to sell it back.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of age. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin. You can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several

THE TEMPERANCE PEOPLE BEGIN TO SUSPECT O' REAR.

Twist and turn as he may, Judge O'Rear has not been able to escape responsibility for the charge made by him in his speech at Lexington, before the Republican Convention was held, in which he intimated that Bradley had been elected by a "corrupt lobby." Ollie James has asked him to name the man who was involved in that scandal. Desha Breckinridge, Editor of the Lexington Herald, telegraphed him if he referred to Bradley, and if not, to whom did he refer? After many days of anguish O'Rear finally replied that he referred to the election of Cerro Gordo Williams, and that he did not have Senator Bradley in mind at all. It happens that when Williams was elected Judge O'Rear was a boy 15 years old, but he says that the scandal of that contest made such an impression on

Leslie Combs formerly minister to Peru, and one of the strongest and cleanest Republicans in the State, says that he heard O'Rear's speech at Lexington, and that it was his impression and the impression of everyone else near him, that Bradley was the man referred to, and believing that to be so, he applauded O'Rear's utterance.

Like every other charge that has been proven against Judge O'Rear in his campaign, he has attempted to crawl out from under. He is feeling the effects of his approval of Bradley at the State Convention. The temperance people rightly regard Bradley as the worst foe their cause has ever had in Kentucky. They know his associations; they believe that he is the beneficiary of the whisky lobby's work at Frankfort; they are confident that he did everything in his power to prevent the extension of the county unit, after he had been elected to the Senate by the votes of bolting Democrats closely allied with the "whisky lobby."

They are asking Judge O'Rear to explain his friendship and affection for Bradley, and they do not see how he can pretend to be the bitter enemy of the whisky interest when he relies on the support of a man like Bradley.

In addition to this, the appointment of McCulloch President of the Distillers' Association, has about convinced the Temperance element that Judge O'Rear is rapidly getting into very bad company. When he accepted the contributions of the President of one of the biggest whisky concerns in the state, they are afraid that his platform pretensions are mere-sounding brass and tinkling cymbals.

"Elder" Ed Hubbard says he stands for a law which will pay men \$1 a day for work on the county roads and also for pay for boys to work the roads. We advise him to look up the law a little more closely before he adopts catchy planks in his platform in an effort to win votes. Section 4308 of the Kentucky Statutes now says: "The fiscal court in its discretion may pay the hands ordered to work on the roads a reasonable compensation per day for all or any part of their labor." So that the law Hubbard wants is already on the statute books and it is now up to the fiscal court of Lincoln county to pay the road hands, if it so desires. And as the fiscal court is at present republican perhaps, Mr. Hubbard might be able to get them to do something for the men who work the roads.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Prest., Buffalo, N. Y.

Germes Spread in Skin

Eczema, Psoriasis and other skin troubles are caused by myriads of germes at work in the skin. Unless these germes are promptly destroyed they rapidly multiply, growing their way deep into the sensitive tissue. This in time causes that awful itch, and what is termed a "rash" may grow worse and develop into a loathsome and torturing skin disease with its years of misery.

Don't take any chances! Destroy the germes at the beginning of the trouble with that soothing and cleansing wash, the D. D. D. Prescription for Eczema. A 25c bottle will prove this to you.

We have had experience with many remedies for skin trouble but have never seen such remarkable cures as those from D. D. D. Prescription. Instant relief from the very first application. We are so confident that D. D. D. will reach your case that it will cost you nothing if the very first full size bottle fails to make good every claim. If you have skin trouble of any kind, we certainly advise you to drop in and investigate the merits of D. D. D. anyway. We know that D. D. D. will help you.
